Subject: RE: two things

Justin,

1. Ware Lumber will send Final Draft when Received. I have requested the SI be finalized?
2. You should have both drafts now. As soon as you return comments (please do ASAP) we will submit for finalization.
3. I asked them to finalize SI and HRS Memo. I will send to you when that is done.

In the future, all assessment deliverables will be submitted to WVDEP and EPA at the same time. I apologize for the inconsistency during these transition assessments.

Thank You

Hi Jake,

I just wanted to see if you had updates for the following:

- Ware Lumber: what is the status of the SI?
- Anchor Hocking: what is the status of the HRS memo?
- Parsons Tannery: what is the status of the SI?

Thanks,

Justin Bleiler

Jake,

Ware Lumber: No, we just received additional data today so I would assume that SI has not been finished yet, correct?
Anchor Hocking: Yes, I received the SI from you on 5/21/18.
Parsons Tannery: No, the most recent information I received about Parson's Tannery was the validated data on 4/25/18.

Also, attached is the final version of the sampling map. Have you received any updates about accessing Berwind property for sampling? If you would like to contact me on Monday, phone is the best way since I will be in the car most of the day. We will see you on Tuesday morning at 8 am.

Thanks,

Justin Bleiler

Justin,
Please let me know if you have received SI reports from Ware, Anchor Hocking, and Parson's Tannery.

Also,
How is the sampling plan coming along for Arbuckle-Minden?
Thanks
